## Some Remarks: Essays and Other Writing Neal Stephenson

#1 *New York Times* bestselling author Neal Stephenson is, quite simply, one of the best and most respected writers alive. He's taken sf to places it's never been (*Snow Crash*, *Anathem*). He's reinvented the historical novel (The Baroque Cycle), the international thriller (*Reamde*), and both at the same time (*Cryptonomicon*).

Now he treats his legion of fans to *Some Remarks*, an enthralling collection of essays—Stephenson's first nonfiction work since his long essay on technology, *In the Beginning...Was the Command Line*, more than a decade ago—as well as new and previously published short writings both fiction and non.

*Some Remarks* is a magnificent showcase of a brilliantly inventive mind and talent, as he discourses on everything from Sir Isaac Newton to *Star Wars*.
