In this final installment of the Squire's Tale series, Terence and his fellow Knights of the Round Table must come together in a last stand to save Camelot. The characters Gerald Morris has brought to life throughout his series—"Terence and Gawain, Lynet and Gaheris, Luneta and Rhience, Dinadan and Palomides"—each have an important role to play in this climactic final conflict. Maintaining their faith, selflessness, and honor, Arthur's court bands together to try to defeat Morgause and Mordred and banish the dark magic from England forever.
