Brian Redman: Daring drivers, deadly tracks

Brian Redman, Jim Mullen

Brian Redman: Daring drivers, deadly tracks Brian Redman, Jim Mullen

Brian Redman is one of very few notable British racing drivers whose racing life has yet to be put on record in book form. Now that is about to be rectified. Packed with photographs, Redman's memoir is a vivid account of his varied racing exploits, with special focus on the period when he won major sports car races in Ford GT40s, Porsche 908s and 917s, and Ferrari 312PBs, and also became North American Formula 5000 champion three years running. Highly readable, and at times both humorous and poignant, this is a very personal book that will be welcomed by this popular and highly respected driver's legions of fans.

- Five themed chapters about Redman's experiences at the greatest circuits and races of his era: Spa-Francorchamps, the Nurburgring, the Targa Florio, Le Mans and Daytona.
- Diving deep into Redman's fears, friendships and mindset during his time at the top.
- Spa-Francorchamps: Redman won at this daunting track in four consecutive appearances in 1,000Kms races for sports cars, but was also injured in the first of his three big crashes, in the 1968 Belgian Grand Prix.
- The Nurburgring: two big sports car wins with his greatest driving partners, Jo Siffert and Jacky Ickx.
- The Targa Florio: in 1970 Redman won this heroic race over the uniquely punishing 45-mile circuit in Sicily - and suffered severe burns in another big crash the following year.
- Le Mans: he led France's 24-hour classic five times but never won it.
- Daytona: the world's other great 24-hour race, in Florida, brought three wins - in 1970, 1976 and 1981.
- Stories about driving for Porsche, Ferrari and colourful privateers, plus anecdotes about the era's most famous drivers, managers, heroes and rascals.
- Successes in Formula 5000 (three-times champion in the USA) and 2-litre sports cars (South African champion) complete Redman's credentials as one of the finest all-rounders in motor racing.
- Mario Andretti provides an insightful foreword: Redman and he were team-mates in Ferrari's sports car team (1972-73) and the top drivers in North American Formula 5000 (1974-75).
