The Death of Fidel Perez Elizabeth Huergo

On July 26, 2003, the 50th anniversary of the Moncada Army Barracks raid in Santiago de Cuba, something unexpected happens. When Fidel Pérez and his brother accidentally tumble to their deaths from their Havana balcony, the neighbors' outcry, "Fidel has fallen," is misinterpreted by those who hear it. The misinformation quickly ripples outward, and it reawakens the city. Three Cubans in particular are affected by the news—an elderly vagrant Saturnina, Professor Pedro Valle, and his student Camilo—all haunted by the past and now forced to confront a new future, perhaps another revolution. Their stories are beautifully intertwined as they converge in the frantic crowd that gathers in La Plaza de la Revolución. By turns humorous and deeply poignant, *The Death of Fidel Pérez* reflects on the broken promises of the Cuban Revolution and reveals the heart of a people with a long collective memory.
