Wainwright Pictorial Guides Boxed Set (Pictorial Guides to the Lakeland Fells)

This boxed set contains all seven of the Pictorial Guides to the Lakeland Fells by the fell walking legend, A. Wainwright. For this Anniversary edition the pages were freshly reproduced from the original artwork and printed and bound to match the original books as closely as possible. Maps and text are as Wainwright wrote them. Since the guides were compiled half a century ago, they have been treasured by generations of walkers, and television programmes in the year of the centenary of Wainwright's birth introduced them to new enthusiasts. There were no guides like these before Wainwright devised them, and in the years since they were first published, they have never been matched. This boxed set of all seven books is the perfect gift for walkers and lovers of the Lakeland fells.
