## **Bad City** Peter Morris

A young man arrives in Johannesburg from a village in northern Mozambique and is conscripted into one of the city's oldest organized crime syndicates. Joao Mucavinho soon learns who really runs this bad city: who controls the money, the "kwash," and the turn of the dice. But the city is on the brink of monumental changes; it is about to explode—and with it all the dreams, the lies, and the power of the old order. It is a time of violent death, of survival, and an opportunity that only comes once. *Bad City* is an African noir novel and an exhaustive anatomy of crime in one of the world's youngest and most dangerous cities.
