Captain's Log Robb Hawks

Capt. Robb Hawks brings to press the Captain's Log he created for his own use as a USCG licensed captain. This log is for boat skippers who want the most complete record of their boating adventures. Each log entry is spread over two complete pages. The first page targets pre-voyage vessel inspection with a 60 point inspection. The second page focuses upon general information typical to a voyage. Every sea captain should keep a log such as this for both their own records and to show due diligence should an accident ever occur. This log is designed to complement Capt. Robb's "Captain's Resource Log."
