In this gutsy debut novel, flawed but unsinkable Claudia Silver cuts a wide comic swath through 1990s New York City in her misguided attempts to find love and happiness.

Estranged from her bohemian Brooklyn family and fired for an impropriety at work, Claudia Silver is officially in over her head. When her younger sister lands on her doorstep urgently in need of help, twenty-something Claudia desperately wants to offer the rescue that she herself has longed for. But Claudia missteps dramatically, straight into a disastrous love affair that disrupts three very different New York households. Ultimately, she discovers the resilient nature of love where she least expects it—among her own family.

*Claudia Silver to the Rescue* is the fierce yet tender chronicle of the many humiliations and occasional triumphs of a young woman determined to wrest her identity from the spectacular wreckage of her mistake. Uncomfortably hilarious, quintessentially human, Claudia is an unforgettable heroine who shoots for the stars and hits the ceiling.
