Cthulhu For President C. O'Neill, D. Landis **The Aeon of the Elder Party has Arrived**

Have you lost all hope in the future? Tired of Big Government? Sick of greedy, corrupt officials? You are not alone! Become one with the Elder Party! The greatest evil in the universe just sunk to new depths and has announced his intention to enter politics. Don't settle for the lesser evil! Heed the Call of Cthulhu! Get ready for muck-raking, magic, and mayhem (with a little help from the world of H. P. Lovecraft.)

The Stars Are Right!

In *Cthulhu For President*, you become an Elder Party staffer tasked with serving the Great Old Ones during their eternal struggle for domination. Cross wits with the other political parties, manipulate voters using non-Euclidian geometry, swear on the *Necronomicon*, and sacrifice your co-workers to the Elder Gods. Politics has always been evil, but destroying the world has never been so much fun!

Cthulhu For President is a complete roleplaying game with rules for character generation, skills, combat, and magic in the shadowy world of occult national politics. A Campaign Manager section includes adventure seeds, political enemies, game-master secrets, and a ready-to-run adventure.

Strange Aeons Are Upon Us!

Chaosium Inc. and 9th Level Games became strange political bedfellows to bring to life the mind-bending horror that is an election year.
