## **E morì a occhi aperti (Italian Edition)** Derek Raymond

Il primo libro della serie delal Factory. Il noir londinese hard boiled e "non-patinato" che ha fatto impazzire il mondo prima dell'arrivo degli scandinavi, in massa, sugli scaffali delle librerie. Con la prefazione di Niccolò Ammaniti.

Il corpo di un uomo massacrato viene rinvenuto in un cespuglio, gettato come spazzatura. Mentre gli spezzavano le ossa a una a una, sembra che la vittima, Charles Staniland, abbia assistito rassegnato alla propria morte. A Londra i casi del genere, sordidi e insignificanti, sono pane per la mitica Sezione Delitti Irrisolti.

Il Sergente senza nome, nessuna velleità di carriera ma un interesse profondo per coloro che dalla vita sono stati calpestati e sconfitti, inizia una discesa nelle paludi di una tragedia individuale, che affonda le radici nelle degradate periferie londinesi.

Un'indagine anomala, condotta attraverso l'ascolto dei nastri su cui Staniland ha registrato le proprie memorie fino alla tragica fine. Inoltrandosi in una profanazione che lo porterà a rivivere le tappe della vita della vittima, il Sergente (che sarà poi protagonista degli altri libri egualmente hard boiled della serie della Factory) scivolerà sulle sinuose curve della storia d'amore che l'ha accompagnata verso la morte, fino a ricongiungersi in un crudele abbraccio con i suoi carnefici.

Con Derek Raymond il noir deraglia dai percorsi classici dell'indagine poliziesca per diventare un'analisi lucida e insopportabile dell'esistenza nelle sue derive inesorabili, nella grigia assenza di ogni meta plausibile. La carne livida di un uomo morto riprende dignità e vita, mentre il lettore e il protagonista vedono la verità attraverso i suoi stessi occhi aperti.
