BONUS: This edition contains a *The Scent of Rain and Lightning* discussion guide.

One beautiful summer afternoon, Jody Linder receives shocking news: The man convicted of murdering her father is being released from prison and returning to the small town of Rose, Kansas. It has been twenty-three years since that stormy night when her father was shot and killed and her mother disappeared, presumed dead. Neither the protective embrace of Jody's three uncles nor the safe haven of her grandparents' ranch could erase the pain caused by Billy Crosby on that catastrophic night.

Now Billy Crosby is free, thanks to the efforts of his son, Collin, a lawyer who has spent most of his life trying to prove his father's innocence. Despite their long history of carefully avoiding each other in such an insular community, Jody and Collin find that they share an exclusive sense of loss.

As Jody revisits old wounds, startling truths emerge about her family's tragic past. But even through struggle and hardship, she still dares to hope for a better future—and maybe even love.

Look for special features inside.

#### **Manuel Britton:**

That reserve can make you to feel relax. This book The Scent of Rain and Lightning: A Novel was colourful and of course has pictures on there. As we know that book The Scent of Rain and Lightning: A Novel has many kinds or type. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading in which.

#### **Jason Ayers:**

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Scent of Rain and Lightning: A Novel can make you sense more interested to read.
