## Throb Vi Keeland

From *New York Times* and *USA Today* best seller Vi Keeland comes a steamy new romance novel.

The rules:

- No dating.
- No sex outside of the game.
- No disclosing the terms of the contract.

Rules were made to be broken, right?

Eight weeks ago I signed a contract. It seemed like a good idea at the time: a handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules, though - lots of them actually. I had to follow the script and avoid dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men last year, it wouldn't be hard to live up to my end of the bargain...or so I thought. Then I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother.

Author's note - *Throb* is a full-length standalone audiobook. Due to strong language and sexual content, this book is not intended for listeners under the age of 18.

### **From reader reviews:**

#### **Patricia Lopez:**

What do you think of book? It is just for students as they are still students or this for all people in the world, what best subject for that? Simply you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be forced someone or something that they don't desire do that. You must know how great as well as important the book Throb. All type of book is it possible to see on many options. You can look for the internet methods or other social media.

#### **Dwight Ambrose:**

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their free time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic from the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Might be reading a book may be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to try look for book, may be the e-book untitled Throb can be fine book to read. May be it could be best activity to you.

#### **Kerstin Torres:**

Do you have something that that suits you such as book? The book lovers usually prefer to select book like comic, limited story and the biggest the first is novel. Now, why not attempting Throb that give your entertainment preference will be satisfied simply by reading this book. Reading routine all over the world can be said as the method for people to know world better then how they react toward the world. It can't be claimed constantly that reading routine only for the geeky particular person but for all of you who wants to become success person. So , for all you who want to start examining as your good habit, you can pick Throb become your personal starter.

#### **Wendy Fuller:**

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Throb can make you truly feel more interested to read.
