An exciting biography about the man who changed Florida's east coast with his hotels and his Florida East Coast Railway.

Henry Morrison Flagler was already a millionaire when he first visited Florida in 1878. He liked what he saw. By the end of his long and productive life, he had built a railroad all the way to the very end of the Keys. It arrived in Key West in 1912. Henry Flagler was very determined and practical. He met all the great challenges he set for himself.
