Transformation in clinical practice comes from both new thinking and new “doing”. HOW DO I HELP HIM? helps transform theory and practice to include a deep understanding of male development in therapy, health care, and human services. It includes new logic models and practical tools and strategies that will transform your office, school, or other environment. “In his insightful and practical new guide, HOW DO I HELP HIM?, Michael Gurian, explains why so many men and boys dislike traditional counseling. He argues persuasively that males may resist open-ended discussions of their “feelings,” but they are hungry for mentoring and eager to talk about their core issues of manhood and motivation. This guide is filled with many helpful examples for engaging the male brain. I recommend this book for any therapist who has ever been frustrated in their attempts to reach a men and boys---and that’s all of us! — *Michael Thompson, Ph.D., author of “IT’S A BOY!: YOUR SON’S DEVELOPMENT FROM BIRTH TO EIGHTEEN, and writer/producer of the PBS special RAISING CAIN: PROTECTING THE EMOTIONAL LIVES OF BOYS.* In HOW DO I HELP HIM?, Michael Gurian captures eloquently why talk therapy is so often ineffective for males. Gurian's understanding of boys and men and his wisdom regarding how to alter our approaches can, and hopefully will, change the therapy landscape exponentially in the direction of being meaningful and effective. His writing style, as always, is crisp and compelling. This book makes a valuable contribution to the ongoing discourse surrounding the issues that he presents.” — *Frances R. Spielhagen, Ph.D., Director, Center for Adolescent Research and Development, Mount Saint Mary College, Newburgh, New York.* HOW DO I HELP HIM? is a powerful and practical book. It provides a great weaving of stories, statistics and research. While the book was written with therapists and social workers in mind, it actually helps anyone who wants a richer understanding of gender. This book energizes me! I hope everyone in the psychology, law, criminal justice, and mental health fields will read it. — *Michael Piraino, National Director, Court Appointed Special Advocates (CASA).* “HOW DO I HELP HIM? is a must have and use now book that gives professionals fresh direction, insights, and strategies for working with boys and men.
