**A hilarious memoir reveals what really goes on behind the scenes on a plane, as well as celebrity encounters, the interview process for becoming a flight attendant, travel mishaps, practical advice for frequent flyers, and more**

Want to know what really goes on on an airplane? Let's go behind the scenes and fly high with these tall tales and gossip from the galley! Everyone wants to be a flight attendant, or at least they want to know about the cushy lifestyle they lead—flying to exotic destinations, swanning about in five-star hotels, daytime lazing around the pool, and night-time tabletop dancing with Bollywood stars. At last the lid is lifted. Come on board a real airline with a real flight attendant and find out what really goes on. Here, Owen Beddall dishes the dirt, telling you the things you always wanted to know—and maybe a few things you didn't—about the glamorous world of flying. This book is packed with cabin crew adventures and misadventures in and out of that smart uniform in far-flung places. There's sex, drugs, and lots of celebrity gossip; picture Katy Perry, Lily Allen, Kylie Minogue, Venus Williams, and Cate Blanchett all in the galley having a gossip with Owen. This is a hilariously bumpy ride around the world with a very funny man.
