## Where Does God Sleep, Momma? Nancy Bestmann

This incredible book was inspired by a special little boy with a special heart. All during the day as he observed insects and animals he asked, "Where do they sleep, Momma?" When bedtime came, he asked the question "Where does God sleep Momma?" His mother's answer was both insightful and faith building. "Oh, dear sweet child of mine, God never sleeps. He watches over all of us - our souls for Him to keep!" Beautifully illustrated and written so that even the youngest listeners can enjoy this story. This is a classic bedtime book.
