White Fang

Jack London

White Fang Jack London

The Yukon wilderness is seen from the perspective an animal designed to thrive in it; White Fang, a wolf-dog and the titular character, is offered by famed American author Jack London as a protagonist. Intended as both an accompaniment and a thematic mirror to London's "The Call of the Wild", "White Fang" follows an animal at war with his wild instincts while on the path to domestication.

The awe-inspiring struggles and beauty of the rapidly disappearing North American frontier is celebrated from the perspective of the wildlife that lives within in. Jack London's novel was an immediate success and has been remembered fondly by North American culture; it was made into several movies and contributed to Jack London's position as one of the great American authors.
