## Contacting Your Spirit Guide Sylvia Browne

*Contacting Your Spirit Guide* is divided into two parts. In the first section, **Sylvia Browne** helps you find your spirit guides – the entities who are designated by you and God to assist you with life and give you guidance. You will not only learn how to *tune in* to this guide or guides, but you'll also see how you can *recognize* who they are, the messages they can give you, and even discern what their names are so you'll know how to refer to them.

In the second part of the book (“A Day in the Life of a Spirit Guide”), Sylvia writes intimately about her spirit guides, Francine and Raheim. For example, she explains how Francine first contacted her, how she (Sylvia) first went into trance mediumship, and reveals personal tidbits about her relationship with this guide.
