## If He's Noble (Wherlocke Book 7) Hannah Howell

*New York Times* bestselling author Hannah Howell delivers adventure and instant attraction in this all-new Wherlocke Family novel...

For Lady Primrose Wootten nothing has been ordinary since her father the Baron died and his wayward family filled the estate with greed and treachery. Primrose knows if she can just track down her brother, he can send the odious relations on their way. But instead she finds this enormous, powerful stranger, and forgets entirely what she was doing in the first place...

Sir Bened Vaughn isn't much afraid of a pistol. But he is a bit afraid of the woman holding it, who stirs up something so primal he's not sure he can shake it off. Vaughn is an honorable man, and he knows he has no right to desire Primrose. Yet he does have an obligation to help her, and as they learn more about her brother's disappearance, he realizes that means staying by her side...wanting her all the while... and wondering how much longer they can resist temptation...
