Having left Egypt behind them, the Israelites gather at Sinai, in the shade of the great mountain. To them, this was a pit-stop on their journey – in fact, it was to turn into one of the greatest moments in history, as God established with man the basis of their relationship for the next thousand years or so. What does man have to do to stand before God? What has God done for man – and what will He do in the future? How should we treat each other, and what is the basis upon which we make such decisions? As Jeff Lucas takes you through the desert with the Israelites, you will learn and laugh. The lessons of Exodus are still there and still relevant for us today.
