## **On Living and Dying J. Krishnamurti**

*On Living and Dying* reveals that the fear of death is not rooted in physical pain or in leaving loved ones, but in the fear that some essential part of what we are will not continue. Krishnamurti explains that to comprehend death, which is so inseparably joined with life, we must come to it with a fresh understanding, free of learned attitude and preconceptions.

*On Living and Dying* is a thematic selection from the seminars over Krishnamurti's entire lifetime, drawing on talks from Bombay to Amsterdam and London to Seattle, progressing from the early thirties until the later seventies.
