## The Catholic Verses: 95 Bible Passages That Confound Protestants Dave Armstrong

Martin Luther ignited the Protestant Reformation by tacking ninety-five anti-Catholic theses to a church door in Germany. Now Dave Armstrong counters with ninety-five pro-Catholic passages from an authority far greater than Luther: the Bible itself.

Protestants (and even many Catholics) will be surprised to see Catholicism so strongly supported by these Catholic verses.

Not Armstrong!

As a Bible-believing Protestant, he studied Scripture intently. There he encountered countless Catholic verses that convinced him that the Bible is a Catholic book. It was written by Catholics, preserved by Catholics for more than 1,400 years before Luther was born, and even today confirms the claims of the Catholic Church. That's why, says Armstrong, early Protestant opinion was virtually identical to today's Catholic beliefs.

With humility and care, Armstrong here explains ninety-five key Bible passages that confound all who would use Scripture to criticize the Church and Her doctrines. These are the verses that have drawn so many serious believers including Armstrong out of their Protestant congregations and into the Catholic Church.

Armstrong shows that a fair-minded reading of each of these passages (and of the whole Bible) supports the Catholic position on the key issues that divide Protestants from Catholics. Here is Biblical evidence that Catholicism is right about the nature of baptism, the communion of saints, the Eucharist, and the Church; the authority of the Pope, the Bible, and tradition; the salvific role of faith, good works, relics, purgatory, and Mary; the immorality of divorce and contraception; and much more.

*The Catholic Verses* is essential reading for all persons seeking to understand God's word in the Bible and to discover the Church that continues to preach His word faithfully today.
