The Power of Strategic Thinking Bob Gorzynski

Never has this capacity for strategic thinking been more important. Over the next few years leaders of all types of organisations - corporate, entrepreneurial, social enterprise and community based - will be called upon to transform their endeavours as the world is hit by successive waves of financial, economic and environmental turbulence. The Power of Strategic Thinking demonstrates not only how to develop the power to think strategically but is full of a myriad of stories, examples and case studies drawn from businesses, not-for-profit organisations and ordinary men and women who are doing just this - applying strategic thinking to make a big difference right now.
