The Skeptical Believer: Telling Stories to Your Inner Atheist

Daniel Taylor

The Skeptical Believer: Telling Stories to Your Inner Atheist Daniel Taylor

When it comes to God, there are believers and there are skeptics. But there are also Skeptical Believers, a particular kind of believer who lives with an Inner Atheist that is constantly raising objections. The Skeptical Believer is a book about making peace with your Inner Atheist, and about working out useful responses to questions that have no definitive answers. It steers a middle course between the modernist conviction that faith is agreement with a set of statements about God and the postmodernist assertion that religious faith is just one story among many, no more or less true than any other. The Skeptical Believer proposes that one can live a rich and meaningful life of faith without proof (and despite the weaknesses of the church) by seeing oneself as a character within an ancient story. As believers, skeptical or otherwise, always have.
