Yosemite National Park is known the world over for its awesome beauty. But this park offers the fisherman more than just a feast for the eyes -- great trout fishing for those who know where, when, and how! In this book, Steve shows you when, where, and how. For each section of the park covered, you'll learn of its history, hatches, weather, regulations, what fish you can expect and how best to catch them, and much more. No trip to this national treasure is complete without it!
