Finding official British Information: Official Publishing in the Digital Age (Chandos Information Professional Series) Jane Inman, Howard Picton

Examining the different bodies that publish official material, this book describes the types of material published, how it is made available and how it is recorded. Finding Official British Information focuses on the digital availability of official information and considers how much is now freely available on the web and how to locate it as well as addressing issues of web only publishing. It covers public bodies in the UK and includes publications issued by central and local government as well as the devolved assemblies and the many other organisations that issue official publications.

- Quick 'how to find' section for each area
- Designed for the non-specialist
- Covering central and local government, the devolved assemblies and other public bodies in the UK
