Jesus, Justice and the Reign of God: A Ministry of Liberation William R. Herzog II

By building on his view of Jesus first developed in *Parables as Subversive Speech*, William Herzog II argues that Jesus is intensely interested in the social, political, and economic well-being of humanity. He examines the conflict stories, exorcisms/healings, and the passion narrative to develop his thesis and, in the final chapter, he interprets the resurrection in light of this viewpoint.
