## Time to Tell: An Activist's Story Barry Feinberg

This dramatically revealing memoir follows Barry Feinberg's 45 years of activism, travel, relationships, and creative expression. While the twin narratives of private life and political doings are equally absorbing on their own, it is the relationship between the two—and the story of this relationship's expression through Feinberg's pen, brush, and lens—that provide a unique and compelling perspective on the most significant and volatile decades in South Africa's history.
