## **Firebird and Trans Am (Enthusiast Color) Bill Holder**

This full-color history chronicles Pontiac's Firebird and Trans Am from 1967 to today. The Firebird hit the market as a response to the Ford Mustang and Mercury Cougar. Firebirds became an extremely popular car, but then the Trans Am came along offering more horsepower, more performance, a better package, and a "bad" look. For more than 30 years, both models headed Pontiac's performance list; they still attract a lot of attention. Enthusiast Color Series.
