Gnostic Tarot: Mandalas for Spiritual Transformation Lee Irwin

Gnostic Tarot presents an exciting new path for people who want to use the tarot as a guide for spiritual development. Lee Irwin synthesizes the more traditional forms of interpretation with a new esoteric method based on the contemporary theories of Hermetic and Gnostic spirituality. He has developed ten Mandalas (akin to tarot spreads) for you to use as meditative structures for contemplating the interconnection between the natural elements and consciousness as reflected by the imagery of the cards. Irwin provides a detailed discussion of the esoteric history and structure of the tarot, and explores the symbolism of the Four Suits, The Inner (Minor) Court Cards, and the Major Arcana Cards as illustrated by the Ravenswood and Waite decks. His wellwritten and deeply insightful interpretations of tarot imagery will inspire you to see the sacred in everything surrounding you. By using Irvins Mandalas, mediations, and visualization exercises, you can learn to align your physical, mental, and emotional life with your spiritual growth, to affect an alchemical transformation through the realization of your souls purpose.
