**"Terra al Sole -Romanzo (Italian Edition)** Bianca Fasano

Recensione di un lettore.

Un libro di grande freschezza. L'autobiografia di una giovane donna (credo poco più che ventenne) che dalla Napoli bene si ritrova per amore in una terra arcaica come il Cilento. Il libro, organizzato per capitoli tematici ma con una successione più o meno cronologica, racconta in modo fresco e leggero lo stupore e l'adattamento di una cittadina a una provincia estrema nella semplicità di vita. Letto più di trent'anni dopo la sua composizione, risulta interessante anche per il racconto di spaccati di vita di una terra oggi più al passo con i tempi. Molto toccanti per me le parti sul parto (quelle ahimè ancora di grande attualità nella poca delicatezza dei medici e nell'inutile medicalizzazione). Il libro è completato da due belle interviste fatte dall'autrice a intellettuali quali Giorgio Bassani e Mario Napoli.

The book was compiled by the very famous author. The writer makes some research previous to write this book. This kind of book very easy to read you may get the point easily after reading this article book.

#### **John Parish:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this "Terra al Sole -Romanzo (Italian Edition) can make you truly feel more interested to read.
