Mystro Mason longs for a family, complete with a beautiful wife, but she has a problem with falling in love with the wrong women. It is not until a Washington DC judge threatens her with a jail sentence, after an order of protection was issued, that she slows down her stalker tendencies. But, she discovers it is easier said than done. Native Houston, Mystros roommate and comrade, is all about clothes, shoes and her lust for a multitude of women. But after losing her job for trying to bed the boss, she soon realizes that her careless actions are coming back to haunt her. Church is a vixen who enjoys the company of women, but the only thing she loves more is money. When Mystro meets Church, it is love at first sight in her eyes. But, everything that looks good is not always good for you. Although Mystro is busy falling in love, again, Native can see Church for who she really is, and tries to warn her friend before its too late. The problem is that once Mystro has her mind made up, there is no stopping her, even if she goes too far. Hersband Material booms with craziness, drama and betrayal, as Mystro and Native attempt to discover who they really are.
