## **Homilia (Portuguese Edition) Enio José Rigo**

Escrever sobre homilia é tratar de um tema difícil e, ao mesmo tempo, fascinante, uma vez que incide diretamente sobre a fé do povo de Deus. Resultado de um trabalho árduo, que demandou tempo, reflexão, preparo e pesquisa, a real motivação desta obra é ajudar os que pregam e os que crêem a partir da pregação. Sua leitura se mostra indispensável a todos os que lidam com a comunicação e a Palavra de Deus, especialmente aqueles que almejam os púlpitos, conscientizando-os de seu uso e capacitando-os para fazer bom uso deles. A obra está alicerçada em três partes que seguem o enfoque clássico "ver, julgar e agir" demonstrando o assunto de forma didática e pastoral, fundamentada na prática e na forte paixão pela liturgia. Na primeira, o autor discorre sobre a proposição da Igreja sobre a homilia: sua natureza e compreensão, suas características, linguagem, conteúdo, tempo e preparação necessária. Na segunda, trata dos desafios oriundos da prática celebrativa: a razão de ser do serviço do homiliasta, a recepção e a compreensão por parte da assembléia, a oralidade, a gestualidade e o esforço entre o "querer" e o "poder" ser do pregador. Na terceira, apresenta algumas alternativas e reflexões a partir do potencial da comunicação: como resgatar a força da palavra, a qualificação humana e intelectual dos pregadores, o oportuno uso dos novos meios de comunicação, a sintonia com os novos tempos e suas especificidades.
