## **Lamborghini Model by Model** Peter Collins

A beautifully illustrated guide that takes the reader through each Lamborghini production model and some of the most significant concept cars. It presents a thorough base for anyone who wishes to understand more about the history and depth of the company, and how the model line developed and evolved. There are specification sheets for each model and the history and development of the company is covered, from Ferruccio Lamborghini's origins in manufacturing tractors, to producing some of the best known and technologically innovative supercars today. Beautifully illustrated with 200 colour photographs.
