## **Mindfield #3 (Mindfield Vol. 1) J.T. Krul**

The war on terror has just begun! The CIA has created an elite team of telepathic agents dedicated to fighting domestic terrorism. But as Connor and the rest of his crew take to the streets, can they handle the dark thoughts buried inside the minds of 'we the people?' Aspen's newest hit series, MINDFIELD, comes to you courtesy of creator J.T. Krul and new comer Alex Konat, who present to you a world of action and intrigue the likes of which you've never seen! Connor is still plagued by the dark side effects of his telepathic abilities, but he will need to fight through it because the greatest threat to the United States is about to be unleashed. Lucien has a bold agenda as he strives for complete anarchy, and he even has his own telepaths helping him along the way! The violence in the streets is real, but the true battlefield is in the mind itself. Plus, don't miss out on the next exciting 4 page 'Project Cobalt' character story, featured in the back of every issue!
