War Fever J. G. Ballard

A war-ravaged Beirut is the setting for the title story of this visionary collection by J. G. Ballard, a tale in which a young street fighter inadvertently discovers how to bring an end to the bloodshed only to find that his solution is all too effective as far as some supposedly neutral observers are concerned. Other stories in *War Fever* feature an assassination plot against an American astronaut, the leader of an authoritarian religious movement; a man who is destroyed by a car crash and resolves never to leave his apartment again; and the survivor of a toxic-waste ship wrecked on a deserted Caribbean island.
