Fault Lines

Anna Salter

Fault Lines Anna Salter

Drawing on her real-life expertise as a forensic psychologist to create "a crackling, suspenseful mystery" (Andrew Vachas), Anna Salter debuted an unforgettable heroine, Dr. Michael Stone, in *Shiny Water*. Now, in a thrilling new novel, Michael Stone deciphers the twisted logic of a sexual predator -- and crosses into deadly territory.

A devastatingly violent attack has left one of Michael Stone's clients paralyzed by fear; her only security is the attack dog who never leaves her side. Michael has her own self-protection: even when she steps into the hot tub on the deck of her sparse A-frame house in the Vermont woods, she takes her gun. Michael has learned the hard way that her profession invites danger: she's a forensic psychologist -- an expert in analyzing and, in a perfect world, outsmarting the criminal mind. But some deviants will never be understood or rehabilitated -- like the purely evil perpetrator who has crossed Michael's path before. Alex B. Willy is a sadistic child molester, a man of monstrous deeds and chilling obsessions. Attempting to profile the psychological makeup of a molester, Michael glimpsed the darkness within through her interviews with the incarcerated Willy; flattered by her attention, he had disclosed the modus operandi of a pedophile, and even boasted about his crimes on audiotape.

Now, his thirty-year sentence suddenly cut short, Alex Willy has been granted a retrial and is sprung from prison. And the one person who threatens his freedom, who knows the depths of his sickness and his seamless lies, is Michael Stone.

Her friends want to hide her, while Michael -- gutsy, aggressive, and fiercely protective of her privacy -- feels safety lies in evading her stalker on her own terms. With horrifying brilliance, Willy has devised an even better way to get to Michael. Invading her professional world, Willy taunts her with malevolent e-mail messages and an intimate knowledge of her clients. Moving in her shadow but always two steps ahead, Alex B. Willy soon targets Michael's guarded personal life, delving along the fault lines of her psyche -- and setting her up for a chilling coup de grace.

As authentic as a case file, and as relentless as a nightmare, *Fault Lines* firmly places Anna Salter alongside Patricia Cornwell and Jonathan Kellerman in a master class of top-notch psychological suspense writers.

From reader reviews:

David Carter:

This Fault Lines is fresh way for you who has attention to look for some information as it relief your hunger details. Getting deeper you into it getting knowledge more you know otherwise you who still having small amount of digest in reading this Fault Lines can be the light food to suit your needs because the information inside this specific book is easy to get by simply anyone. These books build itself in the form which can be reachable by anyone, yes I mean in the e-book contact form. People who think that in book form make them feel tired even dizzy this reserve is the answer. So you cannot find any in reading a publication especially this one. You can find actually looking for. It should be here for you actually. So , don't miss that! Just read this e-book kind for your better life and also knowledge.

David McClure:

With this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become among it? It is just simple way to have that. What you need to do is just spending your time not very much but quite enough to possess a look at some books. On the list of books in the top listing in your reading list is usually Fault Lines. This book which can be qualified as The Hungry Slopes can get you closer in getting precious person. By looking way up and review this reserve you can get many advantages.

Jessie Davis:

As we know that book is vital thing to add our information for everything. By a book we can know everything we really wish for. A book is a set of written, printed, illustrated or even blank sheet. Every year had been exactly added. This e-book Fault Lines was filled regarding science. Spend your time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading some sort of book. If you know how big benefit of a book, you can really feel enjoy to read a book. In the modern era like today, many ways to get book you wanted.

Sean Ward:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Fault Lines can make you feel more interested to read.
