L'Europa in trappola: Riuscirà l'Ue a superare la crisi? (Voci) (Italian Edition) Claus Offe

Una via d'uscita dalla trappola perfetta

Come uscire dalla crisi? Paradossalmente le soluzioni sono note e, in linea di principio, riconosciute da tutti: da un lato la mutualizzazione del debito, dall'altro una spinta alla competitività dei paesi periferici attraverso una riduzione del costo del lavoro. Entrambe misure "inaccettabili" per gli elettori che, nei rispettivi paesi, dovrebbero approvarle. Un vicolo cieco? Forse no, se riuscissimo a trovare il senso di una solidarietà europea concepita come fare qualcosa non per il bene dell'altro, ma per il bene di tutti. Occorre costruire – nella cultura, nella società, nella politica – il soggetto di questo bene comune, questo "noi europei" che ancora non siamo.
